There are many different mods for Minecraft and sometimes they can conflict with each other. For example, some mods may override the resource packs that you have selected in your game settings menu. Modpacks are generally okay because the creation of them is based on sharing resources between multiple mods, but sometimes this can cause problems. If your modpack stops working or causing errors, it is a good idea to change the settings of the modpack to see if it lets them work again.",

The best part that I like about Minecraft Bedrock Edition is that you can play right away on your server without spending money on a gaming box or 3rd party antivirus software. You don't need to install any software or extra hardware in order to make it work. The process of starting your server is very simple and anyone can do it, so you'll be playing in no time! You can also make purchases with in-game currency for extra characters, skins and other stuff from the Minecraft Marketplace, so if you decide to buy something from there you won't have any problems or issues at all.",
