Too many ads by Rachael Bajo on 2021/04/12 16:31 This game is very fun and I will have to admit that the game play is very well executed, but the amount of ads is way too much and you guys are not helping the problem at all. The ads do not get removed from your screen and you have to close them out just to use your items or do something. They also sometimes pop up when I don't want them to like before I open a shop. It is very annoying because you can't even go back without closing it out which ruins my plan every time. Another thing is that you have to wait for so long. You have to wait hours to even complete something. I know this is supposed to be some kind of strategy game but all it really does is frustrate the players because they can't even move forward because they had a bad streak of luck.",

anywhere so if your bored or at home on a rainy day this is a good app to get you entertained or even if you're commuting on a bus or train. Good game but... by mrsam27 on 2021/12/21 18:30 I like the game but there are WAY to many adds! I get them almost everyday and every time I die I get another add. There is no way to skip or turn off them if you want to play with out being annoyed. The guy in the ad that says pay \$5.00 a month and get rid of them is full of crap because I have been trying to find a way to stop getting them since my phone came out and it never worked. If it does when I get the new phone you can bet I'll be deleting this app!!",

free spins coins coin master

Fun but laggy by AaliyahHuggs on 2021/03/09 21:50 To start the most annoying thing in this game is how slow everything loads and how long you have to wait for everything to come! The game keeps freezing and lagging and i really dislike that. It's so frustrating when it lags and you can't do anything. It makes me delete the app. Also the amount of coins you get from spinning is way to low! It takes a lot of time just to get that much! Overall it's a fun game but it needs some fix ups. "»,

Awesome game by Nonstopgamer on 2021/04/12 20:34 I really like this game. It is challenging every time and can be played in your spare time while doing other things like studying or reading. There are multiple benefits to playing the game such as earning coins for each level, getting hints if you use them properly, and unlocking the next level of puzzles which I find very helpful. You won't spend any money on it so you can just keep playing without having to worry about any annoying ads.",

Best Game Ever by Mr.QuackMcWack on 2021/05/29 03:13 This game is so much

easier to play than the other games I've played. There aren't many glitches, and it doesn't take up so much space. It could use some more decorations but it is still a fun game to play, especially when you are bored and have nothing else to do, or when you need something to distract you from your homework or other things you need to do in life. It is a great free way of making people happier with the challenges this game provides.",

coin master free spins link 2021 today

You need a lot of coins by idk man on 2021/02/23 16:13 It's a fun game but you have to be extremely patient and keep collecting coins over and over again just so you can get any upgrades or anything better. It's like you're never going to get the update you want and it's very frustrating. And the whole thing where you have to spin so that you earn more coins and then you get a random chance of getting coins is just aggravating. The only reason I am writing this review now is because I played this game for almost a year while waiting for an update or something good to happen but it never did and I was sick of it. The thing that ticks me off the most is that I live far away from my friends and I wanted to be able to talk with them but you need a certain amount of coins just to be able to talk with people and I thought it was very unfortunate because when your trying to play games and win coins, it's hard and then you have to waste more of your time just so you can talk. Yes, you can use ur coins for getting power ups but in order for u not to be broke, u needa save up for the power ups so they have something interesting. If you're like me and like to talk to your friends while playing or get things for your farm, do not play this game. It is one big waste of time and it takes so long to progress. And the chat ain't worth it either lol",

Addictive!!! by Cami914 on 2021/03/29 17:33 This is by far my favorite game. It's so fun and addictive! It would be even better if you could turn off the adds. I just love playing this game, it's never a dull moment and you always have something to do! If you like word puzzles, word searches or just want to have fun, I would highly recommend this app!! I hope the developers add a reward system for opening the app every day as well!",

A spin off title for iOS devices called "Coin Master: Dig Deep" has been released by UPI (United Pixelworkers). On January 10, 2021 GamesBeat published an article that mentioned a new release titled "Coin Master: Poke Map" was being developed by United Pixelworkers for the iPhone. The game is available for iOS devices in beta form as of February 2021 and is free to download from the App Store. This title is an alternate version of "Coin Master" where players can view the world around them (using real location coordinates) and find loot based on their current location within the game. It also includes a newspaper titled "Coins & Curses Adventure" which is about "Coins & Curses Adventures". "I love this game because anyone can play it, anytime, anywhere. But I just don't quite understand how they are trying to make money. You have these extra lives you win from watching videos or playing other games, but they are not enough unless you spend your actual lives on them through in-app purchases or by downloading another game that requires real money. I would give this game five stars except for the fact that I feel like there's a lot of potential wasted on how they are trying to make money. Hopefully the developers will change their ways. I would love to give this game five stars because the graphics are good, and it is entertaining."",

On August 1, 2021 the game was removed from the Apple App Store. The game's developer said that "Coin Master" was being re-released on Apple devices in 2021 but there has been no further mention of this from Moon Active as of November 2021.",

Some users have also criticized the game for not being as user friendly as other games. The developer justifies this by saying that they don't believe in making their game overly simplistic, but do plan to release more tutorials. It was also stated that the game does not include any missions or goals outside of getting coins and killing enemies. However, the developer states that he is working on adding goals into the future.",
